CHESTER SERIES

Style : Modern Classic

This Alice series of homes, as its name implies, is a series created by Alice's mythology. It is in line with the popularity of modern online fantasy culture and it is a personalized product specially designed for young girls. This series is very popular in the era of today's society. It is a representative young girl who is sincere and purely artistic, and has a dreamlike and unconstrained personality. Both the structure and the tonality are designed in Alice's characteristic concept. The framework is not a combination of normative structure, but a more open-minded expression of individuality and fantasy. The color tone uses a youthful, lively and pure chromatogram representing young girls. The sense of sight is a distinctive attraction that gives people a good show and a sense of solitude.
