## Contemporary Series

A contemporary style of decorating is defined by simplicity, subtle sophistication, deliberate use of texture, and clean lines. Interiors tend to showcase space rather than things.

## Modern Luxury Series

"Luxury" is actually a lifestyle. luxury interior design is for those who do not prefer the tradition of the past. It is for people who love the sleek, sophisticated and chic austerity of the modern times

## European Classic

The modern classic design is a trend that mixes modern and classic styles with the capability of adding some touches from the minimalist style that expresses extreme simplicity.

### Formaldehyde content $\leq 0.5\text{mg/L}$

The national standard indicates that E0 grade is the highest standard of formaldehyde emission for wood-based panel and its products.

### Formaldehyde content $\leq 1.5\text{mg/L}$

## LORD SERIES - WALKIN CLOSET

Style : Modern Luxury

Lord, its design concept comes from infinite space, is a modern and fashionable concept of luxury. The luxury series expresses the power and charm of the master in the design, not the traditional heavy exaggeration. Showing the Luxurious is not a boast, open and restrained indoor infinity space but the super-premium space is equipped with famous and exquisite top-grade hardware. So that users can see all the accessories immediately.

## SPATIO SERIES - WALKIN CLOSET

Style : Modern Luxury

A very generous design that uses a penetrating design to make people feel comfortable and quiet. The noble aluminum frame door with their favorite glass makes the whole design feel like a private space, like traveling through time and space, elegant and expensive.
